

DIGITAL VET 4 ALL

co-existing in the digital era

ERASMUS+ KA220

2021-1-FI01-KA220-VET-000025516

Bringing European VET teachers together online to co-create and co-experiment innovative practices when developing digital learning and teaching material.

Fostering and increasing the confidence and wellbeing of VET teachers and helping them share their doubts and concerns by experimenting new possibilities together with peers.
